

APPLY TODAY TO

LEADS

LEADING EMERGING AND DIVERSE SCIENTISTS TO SUCCESS

A two-year-long fellowship in translational research for early career faculty and postdocs at Minority Serving Institutions

LEADS scholars will receive:

- Training in Grant Writing, Team Science, and more
- Support on their own work products, including grants and manuscripts
- A certificate in Translational Research

I don't have words to express how crucial LEADS has been for my career development - providing the necessary leadership tools for success

-Former LEADS Scholar

Applications are due February 1st, 2022

Join us for an informational session on January 12 at 2PM EST via zoom:
<https://pitt.zoom.us/j/97097637530>

For more information, including access to the application, please visit:
